1. Background / Scenario

You are the Principal of All Nations Theological College and Seminary (ANTS). You have been invited to present to a visiting team of missionaries from Korea about the school's recently concluded 30th Graduation Ceremony.

Using Microsoft PowerPoint, you will design a professional 7-slide presentation that introduces the school, describes the graduation event, acknowledges key stakeholders, and directs the audience to official online resources.

This assignment will test your ability to:

- Create and format slides in Microsoft PowerPoint
- Apply themes, transitions, and animations
- Insert and format images and hyperlinks
- Organise content clearly for a real-world presentation audience

2. Slide-by-Slide Requirements

Your presentation must contain exactly 7 slides, each fulfilling the specific requirements described below. Read each slide description carefully before you begin.

Slide	Requirements	Marks
1	Slide 1: Title Slide — Introduction This is the opening slide of your presentation. It should create a strong first impression. › Include a clear and relevant presentation title › Display the presenter's full name (as the Principal) › Insert a professional photo or avatar image of the presenter › Add the ANTS logo or institutional name and tagline	6

	✂ Choose a theme/background that reflects ANTS institutional colours (purple and gold).	
2	Slide 2: Academic Programmes at ANTS Give the Korean missionaries an overview of what ANTS offers academically. › List the main academic programmes offered at ANTS (certificates, diplomas, degrees, etc.) › Briefly describe the focus/purpose of each programme › Use bullet points, icons, or a table to present the information neatly › Include at least one visual element (icon, image, or logo) ✂ You may use the ANTS website (ants.ac.ug) as a reference for programme names.	5
3	Slide 3: The 30th Graduation Ceremony Describe how the graduation ceremony went and provide key statistics. › State the date and theme of the ceremony › Describe how the event went — the atmosphere, proceedings, and key moments › Include the total number of graduands inducted on the day › Insert a picture of the Principal presenting a certificate to one of the graduands › Add a short caption below the image ✂ The graduation theme was: 'From Learning to Ministry' and the ceremony was held on 12th March 2026.	6
4	Slide 4: Distinguished Guests Acknowledge the notable individuals who attended and graced the ceremony. › List the names and titles/roles of guests who attended the ceremony › Highlight the Guest of Honour with a brief description › Insert a picture of the Guest of Honour (or one of the notable guests) › Ensure the image is properly sized and positioned ✂ Use a two-column layout — guest list on the left, image on the right — for a professional look.	5
5	Slide 5: Staff Appreciation Recognise and thank the people who made the ceremony a success. › Thank the staff members for their dedication and hard work	5

Slide	Requirements	Marks
	› Mention specific departments or roles where possible (e.g., academic, administration, ICT, media) › Use a warm and sincere tone appropriate for a closing acknowledgement › Include a relevant image or background (e.g., a group photo or appreciation graphic) <i>✎ Consider using a quote or Bible verse related to teamwork or service to make this slide impactful.</i>	
6	Slide 6: Conclusion & Where to Learn More Wrap up the presentation and direct the audience to ANTS online platforms. › Provide a brief closing remark or summary of the presentation › Include a working hyperlink to the ANTS website: ants.ac.ug › Include a working hyperlink to the ANTS photo gallery: gallery.ants.ac.ug › Clearly instruct the audience to visit these links for more information and event photos › Keep the design clean and professional — avoid clutter on this slide	6
7	Slide 7: Thank You / Closing Slide End your presentation with a visually appealing closing slide. › Display a 'Thank You' message or farewell note › Include your name, email, and the date as the presenter › Apply a slide transition to every slide in your presentation › Add at least one animation effect per slide throughout the whole presentation › Ensure the overall design is consistent, professional, and visually attractive <i>✎ Do not use more than 2 animation effects per slide. Avoid distracting or excessive animations.</i>	7
