Question 1 · Microsoft PowerPoint Sharing the Spirit of Easter Through Music

1. Background / Scenario

You are the Spiritual Leader of the ANTS Chapel. A team of missionaries from Korea has visited All Nations Theological College & Seminary (ANTS) and is eager to learn about the college's recent community events. They have asked you to give a short presentation about the ANTS Easter Music Festival that was held on Easter Sunday at the ANTS Chapel. Using Microsoft PowerPoint, you will design a professional 7-slide presentation that captures the spirit of the event, honours the participating churches, and encourages the missionaries to stay connected with ANTS online.

2. What the Event Was About

The ANTS Easter Music Festival — A Celebration of Hope Through Music — was held on Sunday, 6th April 2026 at the ANTS Chapel. The event brought together students, staff, and guests in a spirit-filled celebration of the resurrection of Jesus Christ through gospel music. The following churches and choirs participated:

#	Participating Group / Church	Role / Note
1	ANTS Choir	Host institution choir
2	ESL Choir	English as Second Language ministry choir
3	New Heart Mission Church	Guest church — gospel performances
4	Victory in the Blood of Jesus Church	Guest church — worship & praise

3. Your Task

Design a professional 7-slide PowerPoint presentation using the details above. Your presentation must include the slide content outlined below:

Slide	Slide Title	Required Content
1	Title Slide	Event name, date, venue, and your name as presenter. Apply a relevant theme or background.
2	About ANTS	Brief introduction to All Nations Theological College & Seminary — its mission and location.
3	About the Festival	What the Easter Music Festival was, its theme, and what made it special.
4	Participating Churches	List all four participating groups with a short description of each.
5	Festival Highlights	3–5 key highlights from the event (atmosphere, spiritual impact, community unity, etc.).
6	Stay Connected	Inform audience where to find the event videos and photos. And to read more about the event
7	Closing / Thank You	A closing message to the Korean missionaries. Add a Bible verse related to worship or community.

4. Technical Requirements

- Apply a consistent theme (built-in or custom) across all slides.
- Add slide transitions — use at least two different transition effects.
- Use animations on at least one slide (e.g., entrance effect on bullet points).
- Insert at least one relevant image (from the internet or your own files) and resize/position it appropriately.
- Add a working hyperlink on Slide 6 to support your content
- Ensure all text is readable — appropriate font size, contrast, and alignment.
- Include slide numbers on all slides except the title slide, and use ants.ac.ug as the document footer.

Question 2 · Microsoft Excel

Class Performance Analysis

1. Background / Scenario

You are a teacher at All Nations Theological College & Seminary (ANTS). Your Year 2 class of 10 students has just completed their end-of-semester examinations in 8 subjects. As the class teacher, you are required to prepare a mark sheet in Microsoft Excel that records all student marks, calculates totals and averages, determines whether each student passed or failed the semester, and identifies the top and bottom marks in each subject for the entire class.

2. Setup Instructions

Student Names

Use the following 10 student names in your spreadsheet:

#	Student Name	#	Student Name
1	Nakato Grace	6	Opio David
2	Ssemugabi John	7	Namukasa Ruth
3	Birungi Esther	8	Tumusiime Peter
4	Opolot Moses	9	Akello Christine
5	Namutebi Lydia	10	Ssebuliba James

Subjects (Columns)

Create columns for the following 8 subjects and put marks of your choice for each of the above students:

Col	Subject	Col	Subject
C	Biblical Studies	G	Church History
D	Theology & Doctrine	H	Pastoral Counselling
E	Christian Ethics	I	Homiletics (Preaching)
F	Old Testament Survey	J	New Testament Survey

Additional Columns (after the 8 subjects)

- Column K — Total: Sum of all 8 subjects (use SUM function)
- Column L — Average: Average of all 8 subjects (use AVERAGE function).
- Column M — Result: Display "PASSED" if the average is 400 or above, otherwise display "FAILED" (use IF function)

3. Bottom Summary Rows

Below the 10 student rows, add two summary rows:

- Highest Mark: Use the MAX function to find the highest Total mark in the class.
- Lowest Mark: Use the MIN function to find the highest Total mark in the class.

Pass Mark: A student PASSES the semester if their average mark is 400 or above (out of 800).

4. Spreadsheet Layout Reference

Your spreadsheet should follow this column layout:

A	B	C	D	E	F	G	H	I	J	K	L	M
No.	Name	Bibl.	Theol.	Ethics	OT Sur.	Ch.Hist	Couns.	Hom.	NT Sur.	Total	Avg	Result
1	Nakato	75	68	80	55	72	60	78	65	=SUM()	=AVG()	IF()
...	...	...	...	...	...	...	...	...	...	...	...	...
